

Dear FCC officials,
who have been sworn
to serve the public:

Recently I have
learned that
Sinclair
Broadcasting Group
plans to force its
stations to run an
anti-Kerry
infomercial UNDER
THE GUISE OF "NEWS".

They are not
balancing this with,
for instance, a
pro-Kerry movie like
"Up River" on these
same stations.

Please be advised
that the airwaves do
not belong to
Sinclair, and they
do not belong to
you, Michael Powell
or anyone else at
the FCC. They
belong to the People
of the United States
of America.

Sinclair
Broadcasting's
decision to force
their stations to
air an anti-Kerry
documentary days
before the election
is a clear example
of the dangers of
media consolidation.

I will be watching
in the coming days
to see what action
the FCC will be
taking in assuring
that the public's
airwaves stay in the
service of all the
people of this
country, in as
balanced a fashion
as possible.

Sincerely,

Mark Willis
Kensington, MD
